Berkshire Mfg. Co.—Molding Machine.... 150
Birmingham Branch of British Foundrymen's Association 14
Blake & Knowles Steam Pump Works—New Vertical Pump 151
Blast Pressures, Cupola, A Study of..... 287
Blower, Compound Pressure 269
Blow Holes, Alloy for Prevention of..... 16
Blow Holes Around an Iron Chill Rod... 23
Blow Holes in Automobile Cylinders..... 89
Borings, Cast Iron, Use of..... 186
Bougher, J. K.—Obituary..... 43
Brake Shoe Scrap in Cast Iron..... 186
Brass Borings, Melting 91
Brass Castings, Electro-Chemical Cleaning Bath for 217
Brass Castings, Recovering Grinding Dust from 188
Brass Castings, Sand for Heavy..... 37
Brass Castings, Tarnished 93
Brass Castings, Thin 245
Brass Castings, Yellow, Shrinkage of..... 45
Brass Founding, Cupola for..... 10
Brass Foundry Practice, Value of Liquid Fuel in 277
Brass Foundry, The Jobbing (IV)..... 279
Brass Foundry, The, Silicon-Copper in.... 1
Brass Foundries, Novel Method of Handling Metal in 137
Brass Mixtures 191
Brass Mixtures, Use of Bassite in..... 178
Brass Plant, Model Canadian..... 175
Brass Scrap, Use of 105
Brass, Yellow, High Pressure Mixtures.. 283
British Foundrymen's Association.....115-196
British Foundrymen's Association, Birmingham Branch 14
Bronze Age, The, Metallurgy of..... 218
Bronze Alloy, High Tensile 172
Bronze Casting Made of Hard and Soft Metal 93
Bronze, Effect of Silicon-Copper on..... 3
Bronze, Manganese 301
Bronze, Manganese, Melting 286
Buckets, Dump 102
Bucyrus Steel Casting Co., Plant of..... 82
Buffalo Forge Co. Compound Pressure Blower 269

Calumet Engineering Works, The Calumet Cupola 101
Canadian Brass Plant, A Model..... 175
Capacity of Ladles, Measuring..... 11
Car Wheel Chill 27
Car Wheel Foundry, Straight Floor..... 211
Car Wheels, Cast Iron, Standard Specifications for, Data Sheets Nos. 13, 14 and 15, March and April, 1908.....
Car, B. M., Patent Car Wheel Chill..... 27
Cast Iron, Aluminum in 278
Cast Iron, Effect of Different Alloys on 266
Cast Iron, Micro-Constituents of..... 41
Cast Iron Notes.....34-89-185
Cast Iron Pipe and Special Castings, Standard Specifications for, Data Sheets Nos. 19, 20, 21, 22, 23, 24, June, July and August, 1908.
Cast Iron, Titanium in..... 240
Cast Iron to be Machined, Specifications for 223
Cast Iron, Vanadium in, Tests of..... 17
Casting, Long Machine Tool 40
Casting, Molding a Difficult..... 4
Casting Nickel 172
Casting Pipe in Permanent Molds..... 138
Castings, Alloy for Iron and Steel..... 16
Castings, Annealing 239
Castings, Chilled 35
Castings, Chilled, Pin Holes in 29
Castings, Hard, for Dies..... 87
Castings, Heavy and Light From One Heat 185
Castings, Malleable, Without Annealing... 22
Castings, Ornamental Gray Iron..... 63
Castings, Pile Driver 298
Castings, Porous Surface in Plated..... 89
Castings, Sections of Large Cylindrical, Equipment for Sweep Molding..... 20
Castings, Small Gray Iron, Mixtures for 34
Castings, Special, Specifications for, Data Sheets Nos. 19, 20, 21, 22, 23, 24, June, July and August, 1908.
Castings, Unsound 185
Castings, White Iron 89
Castings, Yellow Brass, Shrinkage of..... 45
Chain Block Hoist, Improved..... 306
Charging Machine for Cupolas..... 66
Chase Foundry & Mfg. Co., Mold Drying, Annealing and Core Car 208
Chemical Reactions in Cupola Practice.... 296
